Jack Henry's bestselling Total Theft Control DVDs have been the retail industry's leading source of loss prevention for the last thirty years. Retailers who use Mr. Henry's proven loss-prevention techniques see an average of 50% reduction in cashier and deliveryman theft.

This DVD Program Includes:

1. **Why Do People Steal?** (46 min.) Discover the philosophy behind why people steal.
2. **Checker #3** (26 min.) Learn the nine most repetitive cashier theft techniques.
3. **Check the Detail Tape!** (46 min.) Jack Henry demonstrates how each cashier theft technique affects the shift report.
4. **Sweetheart Cashiering** (14 min.) You will learn why Sweethearting has the potential of tripling with scanners.
5. **Policies to prevent Discounting Sales** (17 min.) Jack Henry discusses the controls and policies for both the conventional and scanner registers.
6. **The Honest Mistake** (36 min.) Learn how dishonest delivermen steal (our best-selling DVD).
7. **Delivery Receiving Policies** (30 Min.) Learn the 52 known deliveryman theft techniques, and theft prevention policies for conventional and computer receiving.
8. **The Best In Shoplifting** (10 min.) Learn the six types of shoplifters and which ones steal the most.
9. **Just Another Honest Mistake** (17 min.) Learn why DSD receiving hasn't stopped theft, and what you should know for effective DSD receiving.
